

Dear Parents,

Can't believe that we are beginning another week at home. Assignments are in Sycamore for Pre-Algebra and Algebra II. I have been able to talk with 4 students so far and I am hoping to connect with the remaining 3 shortly. Hope you are staying well throughout this time and staying calm knowing that our Redeemer is aware of all that is taking place. Algebra II will have 2 hand outs to complete, and Pre-Algebra will have 2 handouts. These will be scanned and should be available on line on the school website.
