

Dear Parents,

I have been preparing some work for this week so the students do not fall behind. I am sending home a lesson plan sheet with directions that show which lessons your child should be working on. Included are the Abeka videos that coordinate with each lesson. The Abeka videos are easy to follow and make it fun for your child to learn each lesson. As your child is watching a lesson, they can do the seat work that I have included with your packet. I pray that this can be a profitable week for you and your child as we continue with their education. I would like to encourage you with this Bible verse, John 14:27 "Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid". I look forward to having all of my students back in class as soon as possible and I will be praying for all of their well-being.

In Christ,

Mrs. Fry
