

Dear Kindergarten Parents and Students,

Our class has learned a Bible verse for each letter of the alphabet (we are up to the letter S right now.) It is during this uncertain time that I am thinking of our letter F verse- "Fear not, for I am with thee." Isaiah 43:5. As we navigate our way through these uncharted waters of uncertainty in our country and our world, may we cling to the promise that this verse proclaims- that God, the creator of the world, is with us.

I will certainly be praying for each of you and your families during this difficult time. I am available for you to email, call, or text as we begin at home studies for the time being. I am providing three days of studies for our class to work on as time allows. Parents, I would encourage you to set a schedule for your child to follow as I have laid out in the attached packets. Please include some down time for your child as well such as exercise, outdoor time, free play, arts and crafts, stretching, chores, etc. I am including a sample daily schedule that may be of some help to you to follow as well.

For the academics, I would ask that you follow the specific directions for each day I have listed on the attached papers. Please save the seatwork papers, and we will reassess how we may get more of these checked. I am asking that you take a picture or scan the evaluations and email those to me so I can grade them accordingly. I am working on getting a video chat set up for me to evaluate your child's reading as well. I will keep you posted on how we may do this, if needed, in the coming days/week.

Students, please know that I will miss seeing your smiling faces each day. Please do your best work on your papers, listen and follow along with the video teacher, Mrs. Reese, she is really fun! I love you all!

God bless you and keep you safe and healthy!

Mrs. Ruth Kupeyan
