

Mr. Fry's Lesson Plans
Week of March 16, 2020
Latham Christian Academy

To my students: I will miss seeing you this week, and I hope we will be back together next week. While I do not believe there is any real substitute for our time together, I do hope the work I am assigning will prove to be helpful for each of you. Please work diligently during whatever time you have to spend at home. I also want to help you in any way I can. Please email me with any concerns or questions so that I can help you as much as possible.

I am praying for you—and I hope to see you very soon!

Mr. Fry

2nd Period New York History (and other Ignitia):

- Please continue working on Ignitia each day, turning in work and posting material as appropriate.
- I will regularly check the work and may reassign some individual work, just as I do in class.
- You may do quizzes on your own under the honor system. No notes or assistance may be used on quizzes.
- I will also unlock tests. Please have a parent supervise you as you take the test. Please send me a message in Ignitia or an email to bfry@lcany.org letting me know who supervised you as you took the test. No notes or assistance may be used on tests.
- If you have any questions, or if anything gets blocked that I miss, please send me a message through Ignitia. I will do my best to keep that moving as well as I can.
- Do your best work and stay busy at least 45 minutes each day.

6th Period US Government Class:

- Remember that your highly recommended but optional term paper rough draft is due on Wednesday. Please email that as an attachment to me at bfry@lcany.org. I will get comments back to you as soon as possible. The final draft is still due Monday, March 23. You will also email the essay to me (preferably as an attachment) if LCA remains closed next week.
- There are no forum posts due this week.
- I found an excellent video that continues our discussion of the US Constitution. Please attempt to follow along in your textbook, starting on p. 114. Here is the link to a YouTube video I am expecting you to watch: <http://s.lcany.org/constitution>
 - Note that I am having you begin at the 43:57 time mark because that is where we are in our discussion in class.
 - The first 44 minutes are interesting and you may want to watch that as well to add to what we discussed in class, but you are only required to watch from 43:57 to the end.
- Please submit the following assignments to me by email (attachment is fine) no later than Monday morning, March 23:
 - P. 117, #1,2,5,6
 - P. 118, #1,2,3,6
 - P. 121, #1-4
- Of course, if you have any questions, please email me. I will get back to you as quickly as possible.
