

Dear Students,

I miss you! I want to do the best I can to continue helping you with your education. Psalm 46:10 says "Be still and know that I am God." "Keep calm and carry on!" was the advice Winston Churchill gave to the English people during WWII. So please keep up with your work, and I will try to help whenever I can. You can email me! "Whatsoever thy hand findeth to do, do it with thy might."

Here are your assignments for this week:

7th & 8th Bible – Fill in Lessons 48 & 49A – pages 233 – 240, fill in definition on page 240 with

"a sent one" appointed by Jesus as His spokesman to the church."

Write out Acts 1:8 three times and memorize

7th & 8th Life Science – Answer questions (1 – 15) all, on page 360.

Answer questions (1-13) on pages 362-363

Read pages 364-368. Look at pictures and captions. Answer questions on page 369.

Lab Manuel – p. 263

11th & 12th Chemistry – I'm sending back the quiz. If you want to correct it for half credit, write out the correct definition for those marked wrong. I will try to get the improved grade on Sycamore as soon as possible. You may take a picture and email it or drop it off at school.

Read pp. 361 – 369. Answer questions p. 389. Read carefully, look at the pictures and diagrams, and read the captions under the pictures! Email me if you have questions!!! I will get back to you as soon as possible!

9th Algebra – please finish the quiz. THIS MUST BE YOUR OWN WORK! Page through your book pp. 328 – 348 to review before you finish your quiz! Then drop it off at school or take a picture and email it to me!

Read and look at examples on pages 370 – 371. Answer problems on p. 372 (2-32) even *34

Read and look at examples on pages 375 – 376. (Try working out some of the sample problems on your own without looking at the answers!) Answer problems (1-17) all. You may look at the answers for the odd problems in the back of the book (after you have worked them out yourself) to see if you're on the right track! YOU MUST SHOW WORK ON ALL SUBTRACTION PROBLEMS – remember keep-change-change.

9th & 10th Biology – Answer Review Questions p. 348 (1-22)

READ pages 350 – 357. Look at the pictures. Read the captions under the pictures!

Answer the questions on p. 357

Do some research on Shark Fin Soup. Write 2 paragraphs, explaining how it tastes and why it is banned in some states. For a great video, watch “Fish Fight on Land” at s.lcany.org/fishfight

Write a paragraph describing the fight and why it happens!

Remember – I’m praying for you, and I will be glad to help! Email me with questions!
