

Dear Students,

As you could see from Sycamore, I have graded your Science Fair projects. I was pleased with the effort most of you put into these! Last week, I didn't give you due dates, but this week I will. Again, if you have any questions, please email me. I will answer as soon as possible!

A verse that has been a great encouragement to me is Isaiah 41: 10. "Fear thou not for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee: yea, I will uphold thee with the right hand of my righteousness."

I need all homework from last week. Please take a picture and email it to me. All homework is due this week by Friday, but it would be better to email day by day. That way your teacher isn't overwhelmed!!!

Here are your assignments for this week:
